

Adult Day Centre Provides

A day respite centre in a warm, safe and friendly environment

Activities and social companionship

A two-course lunch cooked on the premises

An opportunity for carers to have a break.

About Us

Formed as a community social service by members of the Levin Baptist Church in 1989, the centre can cater for up to 25 guests.

Attendance is open to all

- To provide a break for carers
- For those in need of company and stimulating activities.

The centre is contracted by Mid-Central Health to provide Day Activity Support Services. Support subsidies are provided by Support Links following an eligibility assessment.
